

## **Simsbury Veterans Memorial Land Use Process Time Line**

- 6/25/12 Board of Selectmen viewed initial Memorial design, and approved locating in Old Drake Hill Bridge Park along with acceptance of the Memorial as a gift to the town once completed
- 6/10/13 Board of Selectmen viewed a revised Memorial design and approved locating on the south corner of the Library driveway (Eaglewood Lane) & Hopmeadow Street along with acceptance of the Memorial as a gift to the town once completed.
- 10/1/13 Conservation Commission / Inland Wetlands gave administrative approval for minor disturbance to “uplands review area” essential for the Memorial as designed at that time.
- 10/8/13 Design Review Board Informal Hearing resulted in several suggestions for design revisions.
- 4/1/14 Conservation Commission / Inland Wetlands, following public hearing, approved a larger disturbance of the “uplands review area” essential to the design as revised to reflect DRB suggestions.
- 4/7/14 Design Review Board approved the revised design as submitted to the Conservation Commission.
- 4/21/14 Zoning Commission, following public hearing, approved a site plan amendment to enable building the Memorial as approved by DRB on town property at the south corner of Eaglewood Lane and Hopmeadow Street.
- 4/28/14 Board of Selectman received presentation showing the final design of the Memorial and update on conclusion of all required steps in the town land user process. The First Selectman responded for the BOS assuring their continued support the project.
